

EAST EFFORT

COMMUNITY COVID RESPONSE PROJECT

PHASE 4

Timing

June 2022 – March 31, 2023

- June 15th – Program Applications Open
- September 30th – Program Applications Close

Decisions will be made on a rolling basis. Final program decisions will be made in October. Based on partner and community engagement feedback, East Effort will continue to prioritize programs that address mental health, social isolation, food justice and community recovery. Programs that support long term impact, advocacy and collaboration will be of particular importance in Phase 4.

Project Components

- Community Based Programs – including creating links for greater impact and support of grassroots organizations.
- Community Health Ambassador Programs – including coordinated support and training resources.
- Neighbourhood distribution of RATs and PPE – through FHC.
- Grocery Gift Card direct support program – through FHC.
- Community Health Fairs – through Program applications and collaborations.
