**Background:** Flemingdon Health Centre (FHC) is an engaged and involved member of some of Toronto’s most dynamic neighborhoods; Flemingdon Park, Fairview and Thorncliffe Park. FHC is a registered charity and an incorporated not-for-profit Community Health Centre (CHC), with a vision of Strong Healthy Communities. Across our three sites, we provide a range of health-related services based on the social determinants of health with extensive community engagement.

At FHC, we believe that health is much more than just the absence of disease. Our approach to community health encompasses the social determinants of health which includes: education, employment, isolation, food security and social supports, and utilizes a community development model to promote health, prevent disease, and strengthen community capacity. We value health equity, inclusion, community engagement, accountability & transparency, excellence and collaboration & partnerships.

### Position Summary:

To provide administrative support to primary health care, allied health, and community programs. We’re looking for professionals who believe that patients should be treated as people rather than numbers in a file, and who understand the value of compassionate service. The job includes significant amounts of multi-tasking, but the ideal candidates will know how to prioritize work, demonstrate empathy and patience, and provide personalized service. This position requires the candidates to be friendly, professional, organized, and supportive, working and communicating effectively with clients, other team members and providers.

- Maintains up to date medical records by timely uploading incoming faxes and scanning relevant documents.
- Books interpreters as required and confirms invoicing.
- Books, cancels, and reschedules appointments as needed.
- Manages challenging situations in person and on the phone maintaining a calm and collected behaviour and applying de-escalation/defusing techniques.
- Screens potential new clients to ensure that they live in the catchment area and have a valid Health Card or proper documentation regarding their status in the country. For those who do not live in the catchment area, they are directed to a Community Health Centre in their area.
- Responsible for telephones including answering calls, retrieving messages from, and connecting to answering service.
- Provides cross coverage for other admin staff during lunch breaks, vacation, etc.
- Conducts administrative tasks including both front desk and back-office duties, & provides backup as required.
- Supports the collection and data entering of socio economic and demographic data.
- Makes recommendations for policy and/or procedural improvements achieving quality and efficient workflow processes.
- Updates job knowledge by participating in educational opportunities; reading professional publications; understanding FHC population health needs and emerging needs of new residents (i.e., Roma population etc.)
- Adheres to FHC policies and procedures.
- Initiates procedures related to privacy breaches while ensuring privacy policies and procedures are always followed.
- Participates in QI problem solving and contributes to continuous improvement within the team.
- Participates in FHC Committees & Working Groups
- Provides team support by helping other team members during busy times and providing back up support as required.
- Other duties as required.
